Memorial Scholarship Fund Golf Tournament

The University of Tennessee Police Department Scholarship Fund was established to honor the memory of officers who have died while serving the University. The fund is designed to benefit the children of officers, past and present.

The University of Tennessee Police Department takes great pride in the Scholarship Fund and the donations that are involved. Through a fun filled afternoon of golf, the department hopes to move closer to attaining our goal of helping the children of the department’s employees and remembering the officers we lost.
